

Anyone may view 100% of the K-5 Studies Weekly program for Tennessee Social Studies by visiting www.studiesweekly.com

The screenshot shows the Studies Weekly website interface. At the top, there is a navigation bar with tabs for Teachers, Administrators, Parents, and Kids. Below this is a secondary navigation bar with links for Home, Studies Weekly ONLINE, Resources & Tools, Strategies, F A Q, and Teacher Blog. The main content area is titled 'Products & Prices' and features a search filter for 'Tennessee' and 'Fourth Grade'. A yellow callout box points to the 'Teachers' tab, stating: 'Click on the Teachers, Parents or Administrators tab at the top of the page.' Another yellow callout box points to the state and grade dropdown menus, stating: 'Then choose Tennessee and the grade level from the drop-down menu.' The product listing for 'USA Studies Weekly - Ancient America to Reconstruction' is shown, including a price table and an 'Add To Cart' button.

- Week 2: U.S. States and Regions**
Students will learn about the natural features of the United States. They will discuss plains, mountains, plateaus and rivers.
- Week 3: American Indian Nations**
Students will discuss ancient civilizations and compare cultural aspects by region.
- Week 4: How Did It All Begin?**
Students will examine and understand the effects of European colonization beginning in 1565. 4.8, 4.6, 4.3
- Week 5: Spanish and Portuguese**
Students will discover the process of exploration and the motives and accomplishments of explorers.

The screenshot shows a digital page from the Studies Weekly program. It features a large map of the United States with various geographical features labeled. To the right of the map is a lesson plan titled 'Geography and Maps' which includes a 'Map Features' section and a 'How has navigating the world changed throughout history?' section. The page is designed to be interactive, with a sidebar on the left showing navigation options and a bottom bar with a search function.

You can explore Studies Weekly materials at your convenience. There is no charge to view the materials and no registration is required.
